Living on Campus
What to Bring/What to Leave

There’s a lot to love about living on campus. The streets of Boston bustling outside your window. Easy access to hot meals in the dining hall. Improvise touch football games on the Quad. And, of course, making your room your new home!

The Office of Residence Life + Housing offers a few tips on making move-in a smooth transition for all. We encourage you and your roommate to coordinate who will bring certain items listed below, including, but not limited to, the television, DVD player and carpet.

ROOM INFORMATION: Average room dimensions: 13’ x 16’. Average window dimensions: 6’ x 4’8”. Mattress size: 80” x 36’ (extra long twin sheets).

Please note that all residence hall furniture is moveable but cannot be taken out of the room.
