Your First 2013-2014 Edition

We hope you are enjoying your summer break! To ensure that you stay up to date over the summer, this newsletter issue includes information regarding financial aid awards and the upcoming fall semester tuition bill. We also encourage you to visit the ‘Student Financial Services’ page of MySaints throughout the year to stay informed on information from our office.

2013-2014 Financial Aid Awards

When will my 2013-2014 financial aid award be ready?
Once you have been awarded financial aid, you will receive an e-mail notifying you to view your award letter through Online Academic Resources (OAR) via MySaints. Notifications will be sent beginning in late June.

Why haven’t I received my financial aid award?
If you completed the FAFSA, registered for Fall 2013 courses, and have not received an award letter e-mail notification, you may have an incomplete financial aid file.

You can view missing documents through OAR. Additionally, you may have received an e-mail and/or a letter to your preferred mailing address requesting the documents to complete your financial aid file.

Can I still apply for financial aid for 2013-2014?
Yes, although the priority deadline has passed, you can still apply by completing the 2013-2014 FAFSA at www.fafsa.gov. Since the fall semester tuition bill is due on August 2nd and some awards are awarded on a funds-available basis, we encourage you to apply as soon as possible.

Completing the 2013-14 Health Insurance Requirement

Massachusetts requires all students enrolled at least 3/4 time to be enrolled in a health insurance plan. To ensure that you are meeting this requirement, you are automatically enrolled in our health plan and charged the $2,040 annual premium.

Waiving Student Insurance for the 2013-14 Academic Year

Students with their own health insurance coverage may waive the College’s plan by completing a waiver at www.universityhealthplans.com by August 2, 2013. Students who do not complete the waiver by August 2nd will automatically be charged the premium, even if they have other coverage. Note: The waiver form must be completed each year that you wish to waive coverage.

Refund Checks

For students who apply for loan funds in excess of their charges or make an overpayment, refund checks will be available after all financial aid funds are received. This typically occurs in mid-October, after the add/drop period. Since refund checks will not be available until this time, you should be prepared to pay for books and September and October rent.

Job Process Tips

If you are interested in working on-campus, you should start the job search as soon as possible because student employment is not guaranteed and jobs are limited.

Also, you should bring appropriate identification (see the complete list of acceptable documents on the Student Financial Services MySaints page) and a copy of a voided check so that you can complete the necessary employment paperwork to begin working.
