ACADEMIC REGALIA

The academic attire worn at Commencement has its origins in the Middle Ages. The purpose of academic regalia is to display the academic and scholarly achievements of the wearer. From the cap, gown and hood, it is possible to distinguish the institution from which the wearer graduated, the field of learning in which his or her degree was earned and the level of degree.

Academic hoods are the most distinctive feature of academic attire in the United States. They are the visual representation of scholastic degrees, and their design is authorized by the Intercollegiate Bureau of Academic Costume. Hoods are lined with the official color of the college or university conferring the degree and the velvet detail represents the learning discipline. All Emmanuel College hoods are black with blue and gold lining, and the following colors represent each discipline:

BACHELOR OF ARTS	White
BACHELOR OF FINE ARTS	Brown
BACHELOR OF SCIENCE	Gold
MASTER OF EDUCATION	Light Blue
MASTER OF SCIENCE IN HUMAN RESOURCE MANAGEMENT	White
MASTER OF SCIENCE IN MANAGEMENT	Drab
MASTER OF SCIENCE IN NURSING	Apricot

The mortarboard hats and soft caps are black. Prior to receiving the bachelor's degree, the tassel is worn on the right. The graduates ceremonially turn the tassel to the left at the end of Commencement Exercises. Doctoral tassels are gold. Bachelor's degree candidates who are members of academic honor societies wear cords to represent this achievement.

Gowns are normally black, and the level of the degree is indicated by the gown's cut. Colored doctoral gowns represent the school colors of the college or university that awarded the doctoral degree. The blue and gold gowns of the platform party of trustees and honorees represent the Emmanuel College colors. Other dignitaries choose to wear their own institution's robes. The President of Emmanuel College wears her doctoral robes from the University of Michigan, along with the Emmanuel College Presidential Medallion.

ACADEMIC HONORS

Latin Honors are awarded to full-time bachelor's degree candidates who have achieved high scholastic performance based on grade point averages. The honors are *cum laude*, *magna cum laude* and *summa cum laude*.

Distinction in the Field of Concentration is awarded to bachelor's degree candidates who receive a specified grade point average in major courses and who successfully complete a significant senior project.

EMMANUEL COLLEGE

Emmanuel College is a co-educational, residential institution with a 17-acre campus in the heart of Boston's educational, scientific, cultural and medical communities. Enrolling nearly 2,000 undergraduate and graduate students, the College provides boundless opportunities for students to expand their worldview through rigorous coursework, significant internship and career opportunities throughout the Boston area and beyond, collaborations with distinguished and dedicated faculty, and participation in a dynamic campus community. Emmanuel's more than 70 programs in the sciences, liberal arts, business, nursing, and education foster spirited discourse and substantive learning experiences that honor the College's Catholic educational mission to cultivate the whole person and prepare students for effective and ethical leadership in the 21st century.

Congratulations to the Class of 2021!
